

Environmental Policy

The Security Network Ltd will conduct its activities and operations to reflect best environmental practice in order to control and reduce our direct impacts on the environment.

Our commitment we will:

Reduce the amount of rubbish we send to landfill; and increase the amount of rubbish we recycle.

The actions we are taking we will:

Collect the equipment we replace (mainly batteries) and send them for metal extraction;

Purchase recycled office paper and stationery;

Shred our confidential paperwork & with other catalogues etc. ensure they are recycled;

Recycle office equipment, mobile phones etc. through delivery to a recycling centre;

Any food waste will be sent for composting;

Run regular recycling and environment workshops for our staff.
