

HEALTH & SAFETY POLICY – COVID-19 ADDENDUM

1. **Introduction**

Due the Pandemic COVID-19, it is necessary to try and restrict the transmission of the disease throughout the UK population. The British Government has issued guidelines for the additional protective and distancing measures that should be observed.

2. **COVID-19 Self Isolation**

It is our policy to call or knock the door and move back to ensure the site being visited for works to be undertaken is not in the process of Self Isolation Lockdown.

3. **Distancing**

It is our policy to perform all work activity with due respect to maintaining a recommended distance of at least 2m from our clients.

4. **PPE**

4.1 Our staff will wear Protective Gloves and have Hand Sanitiser available for use.

4.2 Protective Face Masks will be worn as necessary if safe distance in item 3 above cannot be maintained.

5. **Customer Co-operation**

5.1 We ask our customers to help us through this pandemic and make the appropriate arrangements to minimise contact with our staff at this time.

5.2 It may be necessary for our staff to be given the facilities to wash their Hands.
